LESSONS
FOR YOUR
CLASS

LA CLASE DE GRAMÁTICA DEL "PROFE" AVIÑA

- Profe Aviña will collaborate with students via video lessons to help them study grammar more efficiently.
- Good grammar not only demonstrates language skills — it is a reflection of a well prepared student ready for the real world.
- The lessons are concise, clear and short. Synthesizing the information to help teachers in the classroom.

LA CLASE DE ORTOGRAFÍA Y MÁS CON YULI EN COLOMBIA

- Yuli to the rescue of language errors. Take your language accuracy to the next level.
- Through an interactive “social media” simulation video, students learn how to avoid common misconceptions in the Spanish language such as: "haya", "alla", "ahí", "ay", etc.

LAS CURIOSIDADES CON MATÍAS DESDE CHILE

- Let Matias take you on a journey through interesting facts and curiosities as he presents them in a broadcast simulation.
- Keep your mind engaged and aware by inquiring about your environment and what makes it special.
- Matías will keep your students intrigued with unbelievable and captivating oddities.

DIVERSITY

“Un viaje por el mundo” opens the door to diverse ethnic backgrounds that form the heart of the many Spanish speaking countries that are present in Anécdotas 1 and 2.

CULTURE

Culture plays a very important role in language cognition. Our program explores cultural practices, products and perspectives to promote awareness and respect diversity.
